PRELIMINARY AMENDMENT UNDER 37 C.F.R. § 1.115

Commissioner of Patents
U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

Prior to the first examination, applicants make the present amendments to the application to better conform the application to United States practice. Entry of these amendments prior to calculation of the filing fee, publication and examination of the present application on the merits is requested. Amendments to the specification begin at page 2; claim amendments begin at page 4; and Remarks begin at page 7. This Amendment constitutes part of the application as filed.
